

The Lake Forest USMC Support Committee will be involved in providing candy for the (approx.) 300 children of the families of our adopted Marine Battalion at their upcoming Halloween children's event which will take place during October.

We are asking for contributions from our City's residents.....in the form of a \$5.00 donation! Proceeds will be used to purchase candy and other Halloween related items.

Please give positive consideration to this request "For the Good of the Cause!"

For information on how to make a donation, please access <http://lfusmccommittee.org/donations.shtml>

Your participation is greatly appreciated.....it will help make it a "Happy Halloween" for the kids of the 1st Law Enforcement Battalion.

Please email lfusmccommittee@cox.net if you have any questions.

Thanks in advance,

The Lake Forest USMC Support Committee
